

## **IMPORTANT BULLETIN TO PARENTS**

### **STUDENT ACCIDENT INSURANCE 2011-2012**

The District has reviewed available accident insurance programs and has selected Student Insurance to provide and administer coverage for the 2011-2012 school year. This insurance is made available to you because the San Marcos Unified School District does not provide medical or dental insurance for pupils injured on school premises or through school activities.

The purpose of this insurance is to provide assistance at a minimum cost to meet some of the expenses for accidental injury. The program does not provide unlimited coverage, but does offer assistance in the event of injury.

Three levels of coverage are available. The "High Option" level of coverage is recommended if your child has no family coverage or if your private coverage has a high deductible. All plans are available on a "School Time," "Tackle Football Only," or "24-Hour" (all day, every day) basis. The "24-Hour Dental Accident" plan may be used to help complete your child's insurance package or be provided by itself.

Complete the application, enclose payment and follow the instructions on the brochure. We urge you to read the brochure thoroughly so there is no confusion regarding the type of coverage you will be provided.

If you have a question about a claim, please contact Student Insurance at (800) 367-5830.

Sincerely,
